

The *Positive Edge*

Activating Potential into Performance

PROFESSIONAL SPEAKER
& CONSULTANT
TINA HALLIS, PH.D.

shares the Science of Success
with organizations who want to
create a positive workplace so they
can activate their people's
performance and productivity.

THE FACT IS...

studies show that negativity in the workplace costs organizations \$500 billion each year in the US alone. Why? Because negativity hurts morale, performance, retention, and worst of all, it's contagious! By giving people the tools and strategies based on REAL SCIENCE, savvy businesses are able to bypass that negativity and flourish. Tina works with leaders, employees, and teams to flip their focus, and activate the regions of their brains that promote creativity, collaboration, and productivity.

THE RESULTS? LIMITLESS POTENTIAL

- For growth.
- For success.
- For **BOUNDLESS** opportunity... Intrigued?

PROFESSIONAL SPEAKER & CONSULTANT TINA HALLIS, PH.D. shares the SCIENCE of SUCCESS. With high-energy and a positively charged performance style, she leverages her more than 20 years as a scientist, and the power of Positive Psychology to motivate her audiences to take ACTION. To think differently. To challenge themselves. To shift old mindsets and habits. To re-train their brains in such a way that they'll activate the essential elements they need to SUCCEED at a higher level. To experience more BALANCE in their lives. And to break the glass ceilings of their potential.

"Tina did a great job! She really connected with the audience and shared scientifically based strategies to help deal with this stress and make the process easier. Her approach was engaging and interactive."

CORY ERICKSON

President and CEO of Career Momentum, Inc.

"Tina gladly accepted the challenge of presenting to our diverse audience and delivered exactly what we asked. Most of all, we appreciated her very practical suggestions on 'how to apply' what she was teaching us after the session. We saw employees implementing her tips the very next day!"
